Lay Speaker – Dr. Jeffrey Tangonan Acido

On Sunday, May 13, those Jikoen members who attended the morning service had the wonderful privilege of hearing Dr. Jeffrey Acido as the Lay Speaker. Jeff grew up and still lives in Kalihi. He is a program manager for the Community Education and Civic Engagement at Kokua Kalihi Valley as well as a lecturer on religion and culture at the University of Hawaii.

Jeff’s love for Kalihi, where Jikoen is located, was apparent in everything he said. He had the temple rocking with laughter as he told old stories. He connected us more deeply to this place when he explained that the Hawaiian name for Kalihi is actually Kalihilihi O Laumiha, which means “On the edge of profound silence.” He further explained that it is the kind of silence that challenges you to think more deeply.

Kokua Kalihi Valley (KKV), which is located very near to Jikoen, provides a wide range of health and social services to area residents. Jeff explained that KKV’s definition of health includes the Four Connections: connection to self, connection to others, connection to place, and connection to past and present (family, ancestors, and cultural history).

Many connections were made amid much laughter in the social hour following the service. We hope that we can foster more connection with KKV and support each

Dear Hatsubon Families,

Jikoen Hongwanji Temple invites you to observe the Hatsubon Service (the first Bon memorial service) for those who have passed away since Obon (July) of last year. It will be held at the temple on Saturday, June 30, 2018 from 9:00 to 9:45 a.m.

If you are not able to attend this special service, you may schedule your own separate service with the Rev. Shindo Nishiyama by calling our temple office at 845-3422.

Please come at least 15 minutes before the service begins to register your loved one's name at the entrance. Envelopes will be available for you to make your Hatsubon monetary offering to Jikoen and the honorarium to the Rev. Nishiyama.

We will not be accepting any flowers or mochi for the altar. You do NOT need to bring your family record (*kakocho*) nor the memorial tablet (*ihai*).

Please RSVP at 845-3422 or email jikoen.info@gmail.com to reserve your space with your name and contact phone number, the name of the deceased, and the number of attendees (**only immediate family due to limited seats**).

Unfortunately, for our wheelchair-bound participants, our chairlift is out of service and we are currently fundraising through our capital campaign to install an elevator-lift. Please be prepared with another arrangement to help them go up the stairs. We sincerely apologize for this unfortunate situation.

At our annual Bon Dance, we will be hanging Memorial Ribbons with the names of those who have come before us on the lanterns around our Yagura. If you would like to purchase Memorial Ribbons to honor your loved ones please see the included forms.

We look forward to seeing you at this special Hatsubon Memorial Service in memory of your loved one. Please feel free to call or email us if you have any questions.

Arigato and Aloha,

Doris Oshiro, Kyodan President

- We would like to extend our deepest condolences to the families of our devoted members who had passed away this year. They are Barbara Yamada (January 12), Mitsue Aka (January 22), Tomiko Masaki (February 2), and Lorraine Toma (March 21). These ladies will truly be missed at our activities. May they be at peace in the pure land. Namu Amida Butsu.

We made sekihan, jushi rice, tapioca pudding with sweet potato, yatsumi zuke, pickled bittermelon, variety of cookies, veggies sticks with hummus, and other products from Aloha Tofu. Sales went well except for the veggie sticks. It was a fun day meeting people from other temples and friends we haven't seem for awhile. Thank you to all who contributed to this event.
- On April 14, 2018 we helped with Jikoen's Annual Bazaar. The ladies were there all week helping to sort, discard, organize and price the donated items for the sale.

Of course, they provided lunch and snacks for all of the volunteers each day. Again, we would like to thank all of you for your donations to make this event so successful.

- We are still encouraging our members to attend the Hongwanji Joint Conference on September 1 to September 3, 2018 to be held at Ala Moana Hotel. We have till July 20, 2018 to register. HILITES FROM HQ NEWS UPDATES

(May, 2018)

Introduction of a New Minister

Rev. Kerry Kiyohara is *kaikyōshi* minister serving the Honpa Hongwanji Mission of Hawaii. He received *tokudo* ordination in 2016, graduated Chuo Bukkyo Gakuin Seminary and received *kyōshi* certification in 2018.

Rev. Kerry Kiyohara previously built profitable brands

and businesses over two decades as a creative copywriter, corporate executive, and strategy consultant. He graduated with BA and MBA degrees from University of Southern California, and worked in Tokyo, Beijing, and Shanghai.

Rev. Kerry Kiyohara speaks English, Japanese, basic Spanish, survival Chinese, and struggles with *da kine* Hawaiian Creole English. He is very happy to be called “grandpa” by a precious six-year-old granddaughter.

Rev. Kerry Kiyohara is currently taking the New Minister's Orientation at Headquarters and Honpa Hongwanji Hawaii Betsuin. He will be assigned to Makawao Hongwanji Mission on Maui as its Resident Minister as of June 1, 2018.

Committee on Social Concerns

From: Dean Sakamoto, Chair of the Committee on Social Concerns

The Office of the Bishop and the Committee on Social Concerns (CSC), together, have been in contact with temple ministers and presidents for flood damage assessments on the Island of Kauai and Oahu and for volcanic disaster related impacts on the Island of Hawaii. While we have not received reports of any temple damages, unfortunately, we have been advised that some temple members from Kauai have been impacted by the flood and several temple members on the Island of Hawaii have been impacted by the volcano disaster.

“Omimai”, a Japanese custom that is often used to enquire (inquire) and call or visit someone who is ill, such as when visiting someone in the hospital. The CSC uses the term “Omimai” to reach out and respectfully express our concern to a member (or a temple) who have experienced some type of unexpected hardship such as property damage from a disaster.

At the May 5th Board of Directors meeting, the CSC reported the following Emergency Disaster related actions:

- A. A donation of \$4,000 to Kauai Hongwanji Council (KHC) with KHC to determine and distribute funds to organization(s) and/or individual(s) working towards flood disaster relief efforts on Kauai. Suggested list of organizations was provided by CSC to KHC.
- B. A donation of \$1,000 (via Kapaa Hongwanji) to the Hanalei Nihonjin Kai Cemetery (5013c) damaged by flood. Kapaa Hongwanji will coordinate and

(continued on page 7)

(continued from page 6)

distribute funds.

- C. Omimai of \$500 to a Kapaa Hongwanji member affected by the flood (property flooded).
- D. Omimai of \$500 to a Kapaa Hongwanji member affected by the flood (property flooded).
- E. Omimai of \$500 to a West Kauai Hongwanji member affected by the flood (property flooded).
- F. A donation of \$1,100 to the Hawaii State VOAD (Volunteer Organizations Active in Disaster)

The Honpa Hongwanji Mission of Hawaii continues to assess the volcano disaster impacts to our members (and temples), and because of the unpredictable nature and the potential damages that an active volcano may cause, this assessment will take some time as conditions continue to change over time. We have initially requested the Hawaii Island temple ministers and presidents at Puna Hongwanji and Hilo Betsuin to keep the Office of the Bishop and the CSC informed as information becomes available, and also to provide assistance to those in need to the extent that a temple or a member is able to provide.

At this time, the CSC is not planning to set-up a special collection and will rely on available funds from the Social Welfare Fund which is replenished through donations from annual Social Concerns fund drives. We are grateful for the generous donations from our members and the CSC will continue to monitor the fund balance to ensure that a minimum level remains available in the fund, especially considering the 2018 Hurricane season will approach soon.

It is understandable that members may want to make a donation with good intentions to help, and our Hawaii Island committee representative, Mr. Ken Okimoto, advises: "Before you donate, pay attention to what kinds of donations are requested; be sure who or what responsible group is willing and able to handle your donation; don't just donate whatever to whoever."

Monetary donations are usually quicker, easier to coordinate, and allows maximum flexibility for the recipient to meet unmet needs. It is the donor's responsibility to research an organization or a fund is valid and will be used for disaster relief efforts before a donation is made. If any assistance is needed, please contact the CSC.

I would also like our members to know that the Honpa Hongwanji Mission of Hawaii is an official member of the Hawaii VOAD (Volunteer Organizations Active

in Disaster). The Hawaii VOAD consists of non-profit organizations, faith-based groups, and partner government agencies. Please visit: www.hivoad.communityos.org for information. Also, information on the Puna lava flow can be found at www.punalavaflow.com.

Disaster preparedness is everyone's responsibility.

Eshinni 750th Memorial Service

In April, Bishop Eric Matsumoto and Hawaii Federation BWA president Lois Toyama attended the 750th Memorial Service for Eshinni-sama. The services were held at Honzan over a two-day period. Representatives from the World Federation of Buddhist Women's Associations participated in a very formal processional at the beginning of the service. Japanese BWA representatives dressed in beautiful kimono, and 3 all the representatives wore the beautiful blue montoshikisho embossed with magnolia that are the official montoshikisho of the BWA.

Gagaku musicians opened the service as many ministers marched in wearing their formal attire. Three hundred members of the Japan BWA, as well as many others who wished to honor Eshinni, filled the hall. After one service, the president of the Japan Federation of BWA read a narration of the life of Eshinni and Shinran. This reading was interspersed with four songs that capture their life in Echigo and the continuing legacy of Eshinni.

Immediately after the second service, the World BWA Representatives traveled to Echigo (modern day Niigata) to visit the area where Shinran Shonin and Eshinni-sama spent many years. They saw cold, windy Kotogahama Beach where Shinran was exiled. They visited Kokufu Betsuin which stands on the site of Takegahana Cottage where Shinran and Eshinni once lived. Bishop Matsumoto and Lois placed lei at the stone pagoda which is believed to be Eshinni's burial site.

Fittingly, at the World Federation BWA meeting which was held in conjunction with the Eshinni 750th Memorial services, representatives voted on a resolution to honor Eshinni and her daughter Kakushinni. An Eshinni-Kakushinni Endowed Chair will be established at the Institute of Buddhist Studies in Berkeley. There will be a worldwide campaign to raise a \$3 million endowment. The interest from this endowment will be used to hire a professor at IBS. This position will honor the impact which Eshinni and Kakushinni had on the establishment of the Hongwanji and will train future ministers who will promote the vision and passion of these two women.

(continued on page 8)

(continued from page 7)

A donation of \$300 (30 people giving \$10 each) from every temple around the world will make this dream a reality. BWA Presidents and temple presidents will be asking for donations at your temples. We hope that everyone will join in this opportunity to honor Eshinnisama during this year of her 750th Memorial and to spread the Dharma for future generations.

Hongwanji Joint Conference

Don't miss out! Two hundred eight of your fellow

members have signed up for the first ever Hongwanji Joint Conference from September 1st to 3rd at the Ala Moana Hotel. But don't worry... there's always room for you! Registration is open until July 20th. Forms are available on the Hongwanji website or from your temple president.

Of course, in addition to services and workshops, there's the opportunity to talk story with your friends from across the state. Saturday night is a free night, and the Okinawan Festival is just down the block at the Hawaii Convention Center. Sunday night is our banquet with great food and good entertainment. It's a weekend not to be missed... see you there!

ESHIN-NI KAKUSHIN-NI ENDOWED CHAIR

A primary purpose of the BWA is to support the propagation of Jodo Shinshu Buddhism throughout the world.

Jodo Shinshu Buddhism was founded by Shinran Shonin with the support of his wife Eshin-ni.

The foundation of the Hongwanji was laid by their daughter, Kakushin-ni.

The World Federation of Jodo-Shinshu Hongwanji-ha Buddhist Women's Associations wishes to promote the vision and passion of Eshin-ni and Kakushin-ni and to honor them by establishing an Endowed Chair in Jodo Shinshu studies at the Institute of Buddhist Studies in Berkeley.

The total fundraising goal is \$3 million. Our Hawaii goal is \$11,000, or approximately \$300 per temple (an average of 30 people per temple donating \$10). We are asking for your support to help us honor these two important women and their contributions to Jodo Shinshu Buddhism.

The Kyodan and BWA will be collecting the funds and sending our total donation to HHMH Federation of BWA. They will then send the total donations to BSC. They will include a list of temples which donated.
