2018-2019 Social Concerns Fund Drive

We celebrate gratitude in the month of November.

The Thanksgiving holiday and the *Eitaikyo* observance

are reminders of the countless blessings in our lives and how we live deeply connected to the world around us. It is in this spirit of gratitude that we begin our Annual Social Concerns Fund Drive. The fund drive will be through August 2019 and we request temples to submit their donations from September 2018.

Through the generous contributions of Sangha members, the Honpa Hongwanji Mission of Hawaii is able to support worthy organizations and programs with funding to continue their work in our community. Your support also allows us to provide compassionate action during times of disaster and the ability to respond to social issues affecting our community.

Because of your commitment to promoting the Buddhist values of compassion and loving kindness, we are able to lend our support to such organizations as the Hawaii Community Foundation, Project Dana, Mana Olana Shelter, Family Promise Hawaii, Hawaii People's Fund, A Cup of Cold Water Hawaii, and various food banks on each island.

The Golden Chain Grant program was established to promote compassionate action through innovative community service projects. Your generosity directly helps those in need and promotes a more humane world.

Envelopes will be provided to those wishing to use them.

Please make your check payable to JIKOEN HONGWANJI.

We will then make one combined check to the Honpa Hongwanji Mission of Hawaii.

The suggested donation is the cost of just one meal per person.

Your kokua is greatly appreciated. We encourage you to continue supporting the Annual Social Concerns Fund Drive. Mahalo! Gratefully, in *Gassho*.

On **Wednesday, October 10**, Rev. Shindo Nishiyama will be starting Jikoen's Monthly Living Dharma Session again.

Everyone is welcome. Join us and bring a friend!

HILITES FROM HQ NEWS UPDATES
(September, 2018)

Hongwanji Joint Conference

“Overall, the convention was positive and brought us more together as a Sangha. We got to meet others we would never meet at individual conventions, and the best part was, it was FUN!” This comment by one of the almost 300 participants in the Hongwanji’s first Joint Conference captures the feeling that so many others expressed.

The conference, with the theme “Embrace Change – Harmony (Accept Differences),” brought together Lay, BWA, Dharma Educators, Jr. YBA, and Ministers’ Spouses as well as interested temple members on September 1-3, 2018 at Ala Moana Hotel and Honpa Hongwanji Hawaii Betsuin. The intergenerational makeup of the conference brought a palpable energy and created an awareness of belonging to a larger community.

Keynote speaker, Lt. Gov. Doug Chin, set the tone for the weekend with his talk on social issues and social injustice. His talk was relevant and thought-provoking yet still down-to-earth and full of humor. This inspiring talk was followed by a dialogue between Lt. Gov. Chin and Bishop Matsumoto on how their spirituality impacts the decisions they make in their work.

Two days of workshops wove together harmony and accepting differences in many ways. Generations joined together to create music in taiko, ukulele, Gatha writing, and singing. They studied Buddhism in the Ministers’ panel, chanting, popular music, and the Gomonshu’s new book, *Moving Forward Just as You Are*. They explored ways to live more harmoniously through Blue Zones, Green Hongwanji, calligraphy, and social concerns workshops. They learned to accept differences in the Muslim panel and LGBTQ sessions.

The Jr. YBA members guided us smoothly through the weekend as our MC’s. They were so clear and professional. And then they wowed us with the entertainment they provided at the banquet. The banquet opened to cheers and laughter as Rene Mansho introduced the processional of committee members, ministers and guests, who hammed it up. She treated the ministers like the rock stars that they are! The banquet closed to young and old dancing to the tunes of Koa Kane.

Mahalo to everyone who planned, helped, contributed to, and participated in this memorable conference.

(Lois Toyama, Chair of the Joint Conference)

Ryukoku University Graduate School Hawaii Seminar

11 graduate school students with Professor Eisho Nasu and Associate Professor Bunei Takada of Ryukoku University Shin Buddhist Studies visited various temples on the Big Island and Oahu from August 28 to September 5. They listened to lectures by Hawaii Kyodan ministers, participated in different activities and studied the significance of Jodo Shinshu propagation through learning how Jodo Shinshu Buddhism is being propagated in Hawaii.

RSG Educational Program

Ryukoku Sogo Gakuen (RSG) held the Educational Program for International Understanding at Pacific Buddhist Academy from August 2 – September 15. The object of this new program was to nurture individuals with an international orientation founded on Buddhist values and perspectives through deepening their mutual understanding of differing cultures and societies. 18 students from 10 RSG high schools in Japan had a homestay in Hawaii and attended PBA with the PBA students. The closing service of this program was held at Honpa Hongwanji Hawaii Betsuin.

New Book: The Golden Chain of Love

Honpa Hongwanji Mission of Hawaii published a new

picture book, *The Golden Chain of Love*, in September 2018.

Bishop Eric Matsumoto wrote: “May *The Golden Chain of Love* continue to serve as a guide for many Buddhists throughout the world, perhaps even non-Buddhists who understand the principles found in it. For (Jodo) Shin Buddhists, may we in grateful response to All-Inclusive Wisdom and All-Embracing Compassion (Amida Buddha) hold dear “The Golden Chain of Love” and continue to be guided by it.”

The books were distributed to the temples of Honpa Hongwanji Mission of Hawaii. The books are also available at the HHMH Bookstore at HQ Office at a price of \$8.00.

Eshin-ni – Kakushin-ni Endowed Chair

The Hawaii Federation of Buddhist Women's Associations is continuing its fundraising for the Eshin-ni – Kakushin-ni Endowed Chair at the Institute for Buddhist Studies (IBS) in Berkeley. The fundraising campaign seeks to raise \$3 million from Hongwanji Temples throughout the world by having each temple contribute \$300. Hawaii's share is \$11,000. As of this writing, we have raised about \$8,000. This endowment will create a faculty position at IBS which will be used to educate our future ministers.

The fundraising effort received a boost recently when Kylie Urasaki, daughter of Rev. and Mrs. Alan Urasaki of Jikoen Hongwanji, presented a gift of \$300 towards the BWA effort. Kylie, a 2018 graduate of Aiea High School, wanted to give back to Jikoen temple with this generous gift. When asked what motivated her to do this, she said that her father graduated from the Institute of Buddhist Studies. She visited IBS last year when her family was in Berkeley, and she values the work that they do.

To all who donated, we thank you for your generous support! Fundraising will continue through December 31, 2018. If you would still like to donate, see your BWA president for information, or mail a check made out to HHMHFBWA to Karen Kikukawa, HHMHFBWA treasurer, Honpa Hongwanji Mission of Hawaii, 1727 Pali Highway, Honolulu, HI 96813.
