MINISTER'S MESSAGE

Rev. Shindo Nishiyama

Some say that they have no idea where or what the Pure Land is. No one can actually “know” the Pure Land, which is why the teachings reach us through the words of the Buddha. When you hear the teachings of Amida Buddha, you will start to “see” the Pure Land through the eyes in your heart. The voiceless “voice” of Amida became the Nembutsu Namu Amida Butsu for us to know and realize that we are all embraced.

Family Promise

Jikoen Hongwanji, together with Windward Buddhist Temple, Moiliili Hongwanji, and Honpa Hongwanji Hawaii Betsuin hosted three families from March 17–24. Volunteers prepared and served meals, donated food and supplies, slept overnight and made financial contributions. They made a difference in the lives of families who have fallen onto hard times. All four temples of the Honolulu district have banded together to be participants in this program to help homeless families by providing overnight lodging for one week and meals (breakfast and dinner) for families. These families were hosted at the Hongwanji Mission School Dojo and cafeteria from 5:30 p.m. to 7:00 a.m.daily. Each morning, the families went to work, school or the Family Promise Day Center where they met with staff, cared for young children, learned life skills and seeked housing and employment. YOU helped in this all important community-service project and for that we are truly grateful for your expression of DANA (selfless giving). Thank you for your continued support of Family Promise!

Giseikai Message from the Jodo Shinshu Hongwanji-ha Governor General Bishop Chiko Iwagami

On the occasion of the 107th Giseikai of the Honpa Hongwanji Mission of Hawaii, I humbly extend my appreciation to you the ministers and sanga representatives from throughout the state of Hawaii for gathering here. I would also like to express my heartfelt gratitude to you all for your continuing efforts in propagating Jodo Shinshu and maintain the temples within your respective districts.

With Hawaii Kyodan marking its 130th anniversary this year, I wish you even more prosperous years ahead and would also like to extend my respect to our forebears for their efforts and endurance of handing down the Dharma to us until today.

At Hongwanji, on first day of the annual Goshoki Hoonko this year, the “Message on the 850th Anniversary of Shinran Shonin’s Birth and the 800th Anniversary of the

(continued from page 3)

Establishment of the Jodo Shinshu Teaching” goshosoku proclamation was presented, announcing the series of joint commemorative services set to be observed in 2023. Since last year, the Jodo Shinshu Hongwanji-ha General Promotion Plan has been proceeding into its second term, and as an item of business, we have been working to carry out the Jodo Shinshu Hongwanji-ha international Office which will be the basis of international propagation. Thus, we are moving forward promoting various projects to contribute toward realizing a society in which everyone can live a life of spiritual fulfillment.

At the closing, of the autumn service last year, Monshu Ohtani Kojun introduced Our Pledge in his Dharma message. The pledge is a four-clause motto, which is a summary of his Dharma message given on October 1, 2016, “A Way of Living as a Nembutsu Follower.” It would be nice if the pledge could be introduced at various temple gatherings.

In closing, it is my hope that the Honpa Hongwanji Mission of Hawaii will continue to prosper and that many fruitful results will arise from this annual meeting.
