

As a Buddhist Scout,

I go to the Buddha for guidance.

I go to the Dharma for guidance.

I go to the Sangha for guidance.

May all beings be happy and joyous. May they live without fear. Understanding interdependence and compassion, I know that what I do now affects my happiness or unhappiness and also that of others. May all existence- human and others, whether weak or strong, small or great, near or far and throughout time, all attain Perfect Peace (Enlightenment).
