TEMPLE NEWS

2019-2020 Social Concerns Fund Drive

We celebrate gratitude in the month of November.

The Thanksgiving holiday and the Eitaikyo observance are reminders of the countless blessings in our lives and how we live deeply connected to the world around us. It is in this spirit of gratitude that we begin our Annual Social Concerns Fund Drive. The fund drive will be from November, 2019 through August, 2020 and we request temples to submit their donations from September 2020.

Through the generous contributions of Sangha members, the Honpa Hongwanji Mission of Hawaii is able to

support worthy organizations and programs with funding to continue their work in our community. Your support also allows us to provide compassionate action during times of disaster and the ability to respond to social issues affecting our community.

Because of your commitment to promoting the Buddhist values of compassion and loving kindness, we are able to lend our support to such organizations as the Hawaii Community Foundation, Project Dana, Mana Olana Shelter, Family Promise Hawaii, Hawaii People's Fund, A Cup of Cold Water Hawaii, and various food banks on each island.

The Golden Chain Grant program was established

(continued on page 3)

(continued from page 2)

to promote compassionate action through innovative community service projects. Your generosity directly helps those in need and promotes a more humane world.

Envelopes will be provided.

Please make your check payable to JIKOEN HONGWANJI.

We will then make one combined check to the Honpa Hongwanji Mission of Hawaii.

The suggested donation is the cost of just one meal per person.

Your kokua is greatly appreciated. We encourage you to continue supporting the Annual Social Concerns Fund Drive. Mahalo!

Gratefully In Gassho.

Help Needed !

If you have any skills, experience or knowledge and can serve on any of the committees or help on any projects, we welcome your help.

We are in need of volunteers to help us with ongoing projects, fundraisers, and once a month for our monthly newsletter folding, labeling and sealing.

The upkeep of our temple and our ongoing events cannot continue without the tireless efforts and dedication of our volunteers and supporters.

If you are able to assist in anyway, even for 2 hours, or once a week, please call the office at 845-3422, Doris Oshiro (808) 271-4748 or email us at jikoen.info@gmail.com.

Our Pledge

Happy to announce and share the Honpa Hongwanji Mission of Hawaii version of His Eminence Gomonshu Kojun Ohtani's "Watashitachi no Chikai" or "Our Pledge." It is an indication of our attitude to live as a Shin Buddhist.

A reminder for us not to forget our way of life and our identity as a Shin Buddhist.

Our Pledge (Hawaii Version)

Reaching out to others, I will share a smile and gentle words. Just like the Buddha, who always calls out with Aloha.

Breaking away from my greed, anger and ignorance, I will try to live in peace and harmony. Just like the Buddha, who shares tranquility and kindness with all.

Moving forward from self-centeredness, I will share a life of joy and sorrow with others. Just like the Buddha, whose caring heart always embraces us.

Realizing that I live because of others, I will strive to live life to the fullest with an attitude of gratitude. Just like the Buddha, who promises to embrace us all.

On Friday, August 30th, for those of us who arrived earlier, we were able to visit the WBWC Marketplace and attend some open workshops.

On Saturday, August 31st, the day started off with an opening service. His Eminence Kojun Ohtani, Monshu, Jodo Shinshu Hongwanji-ha delivered his address. We also received a welcome message by **Rev. Kodo Umezu**, Bishop, Buddhist Churches of America. After the service, we listened to the messages from our two keynote speakers, **Keiko Toro** and **Rev. Yukiko Motoyoshi**. Both of these ladies have some Hawaii ties. Ms. Toro is the sister of Mrs. Umitani and Rev. Motoyoshi served as resident minister at Hilo Betsuin, Mililani Hongwanji, Lihue Hongwanji and Hawaii Betsuin. After lunch, we all went to our assigned workshops, two of them. After our workshops, we had some free time to rest or shop at the

Marketplace. Later in the evening we had the banquet, district entertainment and gift exchange. It was a long but fun filled day.

On Sunday, September 1st, our morning for the convention started at 8:00 am. The District Panelist gave their presentation. Representing Hawaii was **Carol Valentine** from Lihue Hongwanji Mission. After the WBWC General Meeting, the convention ended with a Closing Service and Ceremony. The BCA put in so much work to make it a wonderful World Convention.

After our last hugs and many goodbyes, we had to meet with our tour group. Kintetsu along with **Linda Nagai** put together three post tours.

Tour #1 included San Francisco, Utah, Arizona and Las Vegas. Highlights of San Francisco was Muir Woods National Monument, Twin Peaks, Golden Gate Bridge North Vista Point. In Utah and Arizona points of interest were Arches National Park, Canyonlands National Park, Sunset Tour, Grand Canyon National Park, Horseshoe Bend, Antelope Canyon, Pink Jeep Tour. The last stop was Las Vegas.

Tour #2 took the group to do San Francisco Sightseeing, Yosemite National Park and a winery tour in Napa and Sonoma.

Tour #3 took the group to Oregon. No one from Jikoen participated in this tour.

I have asked all the JBWA participants to write a short reflection of their experience at the WBWC or the post tours.

To our JBWA members or even non-members, please join us at our next WBWC to be held in Kyoto, Japan on May 11 – 12, 2023.

Thank you everyone.

Reflections

By Judy Muramoto

In 2006, the 13th World Buddhist Women Convention (WBWC) was held in Honolulu. BWA members danced to "Aloha Oe" at the Hawaii Convention Center. Attendees joyfully joined in and moved to the music while following the motions. We were so touched and honored!

Then in 2011, at the 14th WBWC in Kyoto we shared our message of Aloha by dancing to Manao Company's, "Spread A Little Aloha". Again, the audience was most receptive and celebratory. They were grateful we had travelled to Japan despite the Tohoku earthquake and tsunami two months prior.

2015 took us to the 15th WBWC in Calgary Alberta Canada, where we shared the hula to "Lullaby to the Children of the World", choreographed by Choralfest Director, **Ms. Nola Nahulu**. Once again, Hawaii's unique message was spread through this wonderful gatha.

This August, at the 16th WBWC in San Francisco, we danced to the "Golden Chain of Love". Utilizing sign language gestures and "aloha" movements. Audience participation made this performance most gratifying.

During mid-morning break, while passing out Hawaiian shortbread cookies to the San Jose Buddhist Church attendees, a lady leaned forward and asked, "Are you from Jikoen? Do you know my sister? Her name is Harriet

(continued on page 6)

(continued from page 5)

Hori.”

“Yes”, I replied. “She was our longtime organist and also played at my wedding.”

We instantly hugged. I returned to Jikoen’s group, found my sister, Doris, then walked her to meet Harriet’s sister. As I introduced them, Doris tells our new friend, “Harriet played at my wedding too.” What a serendipitous moment!

Two weeks later, back at Jikoen, Doris met up with Harriet Hori at the Hoku BBQ Chicken drive-thru. Harriet happily shared how her sister had contacted her about our meeting in San Francisco.

We are most grateful for the unexpected meetings, showing how connected we are in this vibrant wonderful world!

Through our years together, each performance has been a steppingstone to where we stand today. Treasuring the times we’ve shared, striving to make the teachings come alive in our daily connections!

Planning to come together again on May 11-12, 2023 for the 17th WBWC in Kyoto, the 850th Anniversary of Shinran Shonin’s Birth & the 800th Anniversary of the establishment of the Jodo Shinshu Teaching, makes for grateful acceptance and eager anticipation.

Mahalo, to JIKOEN BWA, for making it possible for members to attend the 16th WBWC in San Francisco, August 30–September 1, 2019.

In Gassho, Namu Amida Butsu.

Reflections of the 16th World Buddhist Women’s Convention

By Janet Wakakuwa

I attended the Jodo Shinshu Buddhism, Mottainai and Eco Sangha workshop. The guest speaker was Rev. Don Castro, the founder of Eco Sangha, who is with the San Jose Buddhist church. We, at Jikoen, are implementing many of the goals that are being encouraged to save the environment: for example, the use of paper products or your own personal china, rather than Styrofoam or plastic.

I thought the convention was well organized and

successful considering the almost 2000 delegates from the United States, South America, Japan, Canada and Hawaii.

New Member

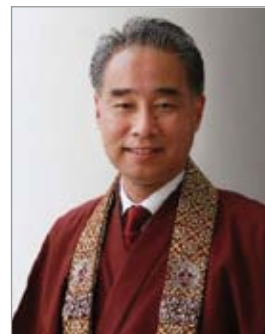

JBWA would like to extend a warm welcome to our newest member, James Toma. He is the brother of our former member, Betty Suenishi. Jimmy, as we all know him, wears many hats at Jikoen. He’s at Jikoen early Sunday mornings to make the coffee and rice for the altar (most important). He wipes down all the tables, benches and railings way before anyone else arrives. He is a great handyman, too. Whenever we have things to fix, we always ask Jimmy for help. Thank you, Jimmy, for joining JBWA.

A Humble Reflection in Our 130th Anniversary Year in Hawaii

In the last quarter of our 130th Anniversary year in Hawaii, I cannot help but express my gratitude and appreciation to all our predecessors who started and supported (what would eventually become) the Honpa Hongwanji Mission of Hawaii from its birth in 1889 and its growth and expansion in the ensuing years. The impact of Honpa Hongwanji Mission of Hawaii especially

(continued on page 7)

(continued from page 6)

through its temples in so many local communities across Hawaii including the contributions by its affiliated organizations like the Buddhist Women's Associations (just to name one) and Hongwanji's schools should not be underestimated. As members of Honpa Hongwanji Mission of Hawaii, let us be proud and also gratefully acknowledge the contributions and dedication of so many countless people, within and without of our organization, who have helped us throughout our history. Truly, we, of the present, are indebted to them and there is no way that we can name and thank each person individually, but they should not be forgotten.

For myself, in preparation for our 130th year in Hawaii, more specifically for the Calendar Committee's creating the Hawaii Kyodan Calendar for 2019, I became more conscious and aware of the tremendous role played by, for example, Saiji Kimura, a successful businessman in Hawaii. If you read our history, you will come to know that he was a staunch dedicated lay supporter who helped Rev. Soryu Kagahi both in Hilo and Honolulu. He stands out among many of our dedicated leaders and supporters. I recently found out that there is a huge monument built in his honor at the Moiliili Community Cemetery in Honolulu. Saiji Kimura, eventually, returned to Japan (d. 1913), but he left an enduring legacy here in Hawaii which continues to make a difference even today.

Another person who has impacted not only, we who live in Hawaii, but also people almost half way around the world, is Mary Elizabeth Mikahala Robinson Foster (1844-1930). In far off, India and Sri Lanka she is fondly remembered to this day with stone monuments praising her and even a hospital and a street named in her honor. Did you know that the lady who loved India mentioned in the song "Beautiful Kahana" is none other than Mary Foster? Some have referred to her as the second Visakha. Visakha was a wealthy lay woman who sincerely took refuge in the Three Treasures and most generously supported the Sangha during Sakyamuni Buddha's time. Back here in Hawaii, Mary Foster of Foster Botanical Garden fame ardently supported Bishop Yemyo Imamura and generously, financially and morally, contributed to the Honpa Hongwanji Mission of Hawaii especially to what would eventually become the 1727 Pali Highway campus. Thus, in appreciation of her support, on December 15, 2019 there will be a special service of remembrance and appreciation in her honor at Honpa Hongwanji Hawaii Betsuin at 10AM. The Remembrance, which is open to the Public and

other temples, is being planned by Honpa Hongwanji Mission of Hawaii Office of the Bishop, Honpa Hongwanji Hawaii Betsuin Buddhist Temple, and the recently formed Maha Bodhi Society of Hawaii.

Truly, it is because of the support of the countless members whose names we cannot all mention and those individuals whose efforts have been recorded that we owe our existence. I am sure each temple has people like Saiji Kimura and Mary Foster and so many others to whom we are indebted. Let us respond in gratitude to Amida Buddha and all those who have helped us! In the remaining months of 2019, especially with Eitaikyo upon us, let us take this time to remember everyone with our deepest gratitude and inspired by our predecessors make efforts to leave both a spiritual gift of sharing our joy and appreciation for the Nembutsu Teachings and temple with others in the form of a "Legacy Letter"

(continued on page 8)

(continued from page 7)

and a financial legacy by creating an endowment or making a Planned Giving gift, so our temples of Honpa Hongwanji Mission of Hawaii can continue to share the Dharma with others. In the words of Shinran Shonin, “I praise Amida’s wisdom and virtue so that beings with mature conditions throughout the ten quarters may hear. Let those who have realized shinjin constantly respond in gratitude to the Buddha’s benevolence.” Thank you and Namo Amida Butsu.

Our Pledge

Honpa Hongwanji Mission of Hawaii announced and shared the Hawaii Version of His Eminence Gomonsu Kojun Ohtani’s “Watashitachi no Chikai” or “Our Pledge.”

On the first day of the Commemoration on the Accession of the Jodo Shinshu Tradition, he delivered a message entitled “A Way of Living as a Nembutsu Follower,” expressing how we should live in the real world as one who encounters the great wisdom and compassion of Amida Tathagata. With the hope of presenting it in a more familiar and understandable way, he has summarized the essence of the message into the following four verses of “Our Pledge.” Honpa Hongwanji Mission of Hawaii prepared the Hawaii Version as each overseas district is requested to translate “Our Pledge.”
