## HILITES FROM HQ NEWS UPDATES

(September, 2020)

### *Bishop's Corner*

Bishop Eric Matsumoto

*“Pausing a moment to express gratitude”*

At this time, I would like to express my gratitude and appreciation to all of you. If you are reading this message, your life and my life are somehow directly connected. More than likely, your support is enabling me to not only live, but carry out my life's work and responsibilities as the Bishop.

Needless to say, especially since late February and March, we are living in challenging times. The Coronavirus continues to spread and the death toll keeps rising all over the world including our own Hawaii. My deepest condolences to family and friends of those who have succumbed to COVID-19 and my well wishes to those who are struggling with the Virus right now. So many people are unemployed with much uncertainty of their livelihood, businesses are struggling, our healthcare professionals are pushed to the brink of sheer exhaustion, essential workers continue their important work filled (I am sure) with much anxiety, and even our Kupuna are doing their best to stay home and practice safety measures including good hygiene to help curb the spread of the virus so we can all be safer. Thank you, one and all, for your efforts!

To the Members and Friends of the Honpa Hongwanji Mission of Hawaii especially ministers, lay leaders, staff and volunteers, and those who are affiliated with the Hawaii Kyodan through our affiliated organizations including schools and adult care, I want to thank you for your continuing leadership, dedication, and perseverance. Your endeavors and support enables the Hawaii Kyodan to continue being active and a contributing member of society during this Pandemic. From the mask-making to the food and meal distributions, and monetary donations to those in need and online spiritual presentations of the Dharma by temples including special projects like the Obon Videos, Mahalo Videos, and promotion of Peace Day which provide much needed comfort, support, guidance and assurance in this, almost, unparalleled time filled with natural disasters of hurricanes and wildfires and also racial discrimination and tensions which too often are filled with violence and even death, your actions make a

difference and are appreciated. Your support of the temples and HQs with your time, energy, commitment including financial contributions and leadership is truly appreciated. I would also like to thank everyone for following the safety recommendations and guidelines that have been issued. I know it has not been easy and, unfortunately, we are not out of the woods yet. Let us persevere! May we be inspired by the example of the Bodhisattva Dharmakara (to become Amida Buddha) and persevere for the benefit of one and all. We will get through this! Our Hongwanji Sangha has survived previous epidemics and famines, religious persecutions, world wars and internal hurdles to carry out our purpose “The organization transmits the wisdom and compassion of Amida Tathagata to all people, and in doing so, contributes to the realization of a society in which everyone, both within and outside of the organization, is able to live a life of spiritual fulfillment.”

As I think about our purpose, I am reminded of the recent passing of some of our most outstanding members like Mrs. Rose Nakamura, co-founder and Founding Administrator of Project Dana and Dr. Fujio Matsuda, Former Trustee and Co-Chair of Pacific Buddhist Academy's Capital Campaign to name just two to whom we have not been able to honor and express our gratitude to, due to the Pandemic. Today, I am recalling the words of the late Supreme Court Justice Ruth Bader Ginsburg who recently passed away too, who said “One lives not just for oneself but for one's community.”

Last and by no means least, I would like to express gratitude to Amida Buddha who has changed my life as I find myself embraced by Unconditional Compassion and given the promise of Supreme Enlightenment. Who could have imagined, who could have guessed, who could have known that such a Wisdom and Compassion existed! Not I, but as someone (Shinran Shonin) very dear to us said, “How joyous I am...I have been able to encounter... already I have been able to hear...I am especially aware of the profundity of the Tathagata's benevolence. Here I rejoice in what I have heard and extol what I have attained.”

To one and all, please take care and, once again, from the bottom of my heart, thank you!

Namo Amida Butsu/Entrusting in the Buddha of Immeasurable Life and Infinite Light.

### Hawaii Votes by Mail Information

Starting this year, all of Hawaii conveniently votes by mail. Now registered voters simply receive their packets in the mail, complete the ballot in the privacy of their own home and safely mail it before the election day. This is entirely non-partisan and not telling anyone who to vote for. We would like to make sure that the voting process is safe and that important and experienced members of the community (our Sangha) are heard to help shape our future.

Please share the information below with your members via email and/or temple newsletter.

## 2020 RING YOUR BELL FOR PEACE DAY MAHALO!

Aloha Friends!

You did it! We did it! We made history in celebrating the International Day of Peace on September 21<sup>st</sup> with bell ringing in unison as it was also Peace Day in Hawaii. In the spirit of unity, we came together to promote peace in the world, during these challenging times, impacting all of our lives. It was uplifting, inspirational, heartwarming, and a truly “chicken skin” experience!”

It was amazing to see 160 organizations/individuals registered for Zoom, many participated on Facebook, and bells were ringing in Japan, Canada, Maui, Kauai, Hawaii Island, Oahu, California, Idaho, Illinois, Massachusetts, Michigan, New Jersey, New York, Tennessee, and Washington! Others were watching from New Mexico, South Carolina, Nevada. Lions Clubs, Rotary Clubs, and Cub Scouts also rang their bells!

The Hawaiian culturally hosted program along with 60 different churches spreading compassion, kindness, and hope in the face of the Pandemic, brought much joy to the children, families and even our 97 year old 442nd Veteran bell ringer Mr. Yonemitsu in Naalehu! He was so proud to ring the temple bell!

For photos, videos and information about the Peace Day event, you may view at <https://hongwanjihawaii.com>.

Please join us again next year, invite your friends and family. We welcome your suggestions. This is a public community and worldwide interfaith event, and it would be great to have more participants sharing in the prayers, bell ringing, music, and connecting with each other. Let’s start early to plan and share our joy in peace activities throughout the year! Let’s make Peace Day Every Day! Namō Amida Butsu.
